

Al and Terri Forey - 2014

Al and Terri Forey have been married 29 years. They are both natives of the Indianapolis area. Al was born and grew up on the west side of Indy, graduating from Ben Davis. Terri was born and grew up in Noblesville, graduating from Noblesville High School. Al is still working hard managing 34 rental properties. Terri just retired from IPL, having worked there for 39 years. She will continue to work on a consulting basis for them 5 days a month. Terri is already enjoying retirement and having more time to be with grandkids and with Al. It is fun not having to be somewhere at a certain time or to have to be home because of having to work the next day. Al enjoys reading and working on his car. Terri enjoys gardening, reading, being with her grandkids and Corvetting. They have been members of CI for about a year and have never been members of any other Corvette Club. Al has been obsessed with Corvettes for about ten years - doing research, saving money - all in preparation for the day he would buy one. They own a 2001 yellow convertible and have never owned any other Corvette. The thing that they like best about CI is the people. They are so down to earth. They also enjoy that there are so many activities; so many fun outings, fun places to go as a group. It is lots more fun than going alone. Their favorite CI activities include the Drive n Dines, the Memorial picnic, all the summer activities and dining out with a group. The Corvette story that they shared involved how they came to buy their Corvette. They had gone to Texas to spend Christmas 2012 with Terri's sister. As previously mentioned Al had been thinking and planning about buying a Corvette for years. During their Christmas visit Terri got looking on her phone and found a dealer in Houston with a yellow C5 convertible with less than 25,000 miles and a manual transmission - exactly the car Al wanted. Terri's nephew took Al to look at it - it was perfect but he was uncertain. Terri encouraged him to go for it (or drop the idea altogether) so they bought it! What a 'Christmas present' for both of them!
