

## **Bob and Kathy Taylor - 2016**

Bob and Kathy Taylor have been married for 36 years. They were both born and raised in Chicago. The Taylors have lived in the Indy area for 18 years. Bob is a financial planner with an office in Carmel. Their interests include cars (of course) their lake house in Brown County and their grand kids. Bob and Kathy have been members of CI for 1 year and have never been members of any other Corvette club. When asked how he got interested in Corvettes, Bob replied that he is a lifelong car guy but until now had never owned a Corvette. Although he always liked them, he had never had one. When the C7 debuted it "...pushed him over the top" and he bought a new 2015. He currently owns a C7 Z51 2015 coupe (color????) and as previously noted has never had one before the C7 "caught" him. What Bob likes best about CI is that it is a big club with nice people and lots of activities. As of yet he doesn't have any favorite activities because the only thing he has done is attend some meetings. Bob's favorite Corvette story is about his trip to Spring Mountain for the Corvette driving school. He says that it has completely changed his view of and enjoyment of the car. He now knows much better what the capabilities of the car are and he uses them regularly. He would absolutely recommend the school!
