

Corvette Indy is a social club that consists of enthusiasts of America's only sports car, the Corvette. The club mostly does events in central Indiana but occasionally strays out of state for overnight adventures. The club's primary goal is to associate itself with others that enjoy driving, racing, restoring, seeing, and caring for America's favorite sports car.

Corvette Indy is the largest and most active club in the Indiana region and one of the largest in the US. We also donate to charity.

#### Membership Requirements:

-  Corvette Ownership, or
-  Spouse of member, or
-  Dependent of member, or
-  Previous NCCC Member
-  Age: Primary / Spouse – 18+
-  Dependents – 16+

Corvette Indy is proudly sponsored by Penske Chevrolet who hosts several events in order to show appreciation for the club. Many benefits are offered for joining Corvette Indy such as 10% off service and parts at Penske Chevrolet. Penske also offers all members preferred pricing on all vehicles, not just Corvettes.

Corvette Indy is the home of the Drive N Dine. It is great fun to get out and drive your Corvette, enjoy a meal with fellow club members and enjoy driving on the open road.

Corvette Indy also participates in several Indy 500 track events where members drive to the Indianapolis Motor Speedway via police escort and are afforded a special opportunity to drive their Corvette around the world famous 2 1/2 mile oval. Members enjoy a meal and listen to speakers from General Motors regarding model changes for the following year. Another popular event for Corvette Indy is the 4<sup>th</sup> of July Carmel parade. Also, once a year the club hosts two events; Vettes N Vets which is a major all Corvette car show and The Main Event which gives Corvette enthusiasts an opportunity to race their fiberglass flyers in a controlled course environment.
