

Jim and Pam Kellam - 2013

Jim and Pam Kellam have been married for 30 years. Pam was born and grew up in Hazelwood IN and Jim was born in Noblesville and grew up in Sheridan. Jim works for Zayo as a Project Manager (fiber guy) and Pam currently works at Eat Here and Get Gas after having retired from ATT and as a dog groomer. Pam says she finds being retired boring - she has too much nervous energy. But the good thing about it is that you can stay up late and then sleep in because you don't have to get up early to get to work. Jim's favorite activity is eating out with or without fellow CI members. Pam enjoys fishing, showing dogs and antiquing. They have been members of CI for 12 years and have never been members of any other Corvette Club. Pam says that she has always been a car nut but their real interest in Corvettes came in 1981 when Pam wanted a new car. They went to Dan Young to look at a Camaro and looked at an '81 Corvette but didn't buy it. Then in 1983 they found an '82 but the interest rates were too high. Finally, in 1988 they bought a '75 (after the kids were grown). They currently own a 1975 silver convertible (stick) and a 2000 red convertible (automatic). These are the only two Vettes that they have owned. What Pam likes best about CI is that here is such a variety of things to do. And Jim likes eating. Their favorite CI activities include any of the social events, the Drive and Dines, doing parades, car shows and racing. Their favorite Corvette stories to share include their memories of specific activities; they particularly remember going to Bowling Green for the 50th Anniversary and to Las Vegas for Convention.
