

Larry and Dona Stine - 2016

In April 2010 Larry lost his wife. It was recommended to him to try match.com. Larry got on match.com and low and behold there was princess Dona. In September of 2012 the two were wed. Larry was born in Charleston South Carolina and moved to Indianapolis at age 5, Dona was born in the wonderful city of Indianapolis Indiana but grew up in Mooresville Indiana. Dona works as a computer analyst at Eskenazi Hospital, And Larry works at his family business in Beach Grove. Larry is waiting for Dona to retire before he throws in the towel. Larry's interests include RC plane flying and model railroading and cars. Dona is a crossword puzzle freak, Larry is hoping to put her on Jeopardy one day. Larry and Dona have been members of CI for a couple of years and are still members of Circle city Corvette club. In 2008 Larry sold his last Harley Davidson. He couldn't give up the rides in the country smelling the barbecue and smelling the manure from the farm fields. The money was burning a hole in his pocket so he bought his first Corvette convertible, a 1999 C5 mag red, and he was hooked, Since then Larry has owned a Monterey Red C6 and they are currently driving a 2015 crystal red Stingray Convertible. Since Dona and I are still working, it has been difficult for us to attend a lot of the CI events and meetings. We are currently members of both corvette Indy and circle city Corvette club. We have many friends in both clubs and will continue to be members of both. Between Larry's model airplane flying club and his model railroading club and two Corvette clubs he stays extremely busy. Due to a health issue Larry may have to take a little time out from some of his club activities.
