Rich and Suzanne have been married for 25 years. Rich was born in Bedford IN and grew up in Columbus IN. He graduated from IU and moved to the Indy area in 1974. Suzanne was born in Washington IN and grew up in the Indy area. She attended Vincennes and after that has always lived in the Indy area. Rich works for Salin Bank in the Mortgage Dept and Suzanne works for Target. Suzanne's favorite interests and activities are reading, gardening and of course Corvettes. Rich enjoys guns and also (of course) Corvettes. They have been members of CI for 5 years and have also belonged to Circle City Corvette Club. The Bellvilles got involved with Corvettes when they bought their first one - a 1968 - in 2002. They currently own an '84 red coupe and an '06 red convertible. Previously they have owned a burgundy '68 and a '92 polo green coupe. The things they enjoy most about CI are the people, the eating and the driving. And their absolute favorite activity is the Drive n Dines. Suzanne's favorite Corvette story involves all the Drive n Dines and road trips that she has been on when she kept everyone entertained making amusing remarks over the radio.
