

## **Susie Hale - 2013**

Susie was married to her sweetheart - Don - for 40 years. He passed away in 2007. She was born and raised in Brownstown, about 75 miles from Indianapolis. Susie works as an Administrative Assistant for North Central High School. She worked as the District Manager at GE's secretary until 1961, then went to work as the District Manager's secretary at Pure Oil, which is where she met Don. Although she hasn't exactly planned her retirement yet, Susie is considering it in the near future. She would like to be able to enjoy more of the Hooky Players and Retirees Drive and Dines. Motorcycling, camping, kayaking and Vetting are Susie's favorite activities. She has been a member of CI for 5 years. Susie is also a member of Circle City Corvette Club and Venice FL Corvette Club. Don and Susie bought their first (and only) Corvette in 2002 because Don had always wanted one. She still has that 2001 torch red coupe "Precious". Susie's favorite thing about CI is the camaraderie. And her favorite activities are the socials and the Drive and Dines. The favorite story/memory that Susie shared was about the first time she led her daylong Drive and Dine to Overlook on the Ohio River.
