

Terry Sitzer - 2014

Terry Sitzer was born in Ionia MI and grew up in Saranac MI. He has lived in the Indy area since 1974, having moved here to get away from Michigan snow. He is retired/disabled. He last worked as an optician for Optometrist Dr. Ian Miller. Terry thinks that being retired is wonderful. You should do it when you are younger. He particularly likes not having to get up early and not having to drive in the snow if you don't want to go out. If you don't want to do anything, you don't have to. And you can take Vette rides anytime. His favorite interests and activities are camping, boating and motorcycling. Terry has been a member of CI for 3 years. He became interested in Corvettes through Susie Hale and is a Corvette Enthusiast, sharing Susie's ride. What he likes best about CI is the social aspect. With his favorite activities being the Drive n Dines and Hookey Player activities. The Corvette story that Terry shared was about when Susie lead a Drive n Dine down to Overlook - which was originally a motorcycle drive that Terry designed - and he knew the route and the speed limits very well. He kept warning her that she was approaching a 15 mph corner and she was going 60 MPH!!
