## **THANKS FCOA Members!**

Special thanks to the four FCOA members that helped show the Corvettes at our recent VETTES N VETS car show. Hannah Gallagher proudly displayed Dean & Zoe Dolbee's 1999 Torch Red Convertible. Connor Gallagher also did a great job of displaying Dean & Zoe's 2012 Super Sonic Blue Grand Sport. Both could be seen drying the Corvettes between the Shake Down the Thunder episodes. Meanwhile, Mitchell Kuhn was busy displaying Erika Lapham's 2002 Electron Blue Convertible and Makenzie Hieston was displaying Ray & Nikki's 1997 Black Coupe.

All four did a fantastic job and the Awards Committee was deadlocked in a tie on every vote taken. Finally after much consideration the Awards Committee did the right thing and settled on a four way tie and gave each FCOA member a 1st Place Trophy for a job well done.

Congratulations to all!
